As I Get older I realize

I talk to myself, because sometimes I need expert advice.

The biggest lie I tell myself is “I don’t need to write that
down,
I’ll remember it.”

“Getting Lucky means walking into a room and
remembering why I’m there.

Why do Grandmothers always smile?
They can’t hear you.

A grandmother presented her grandson with a set of drums.
The daughter said “Why did you give him drums when I
drove you crazy with a set of drums.”
Grandmother smiled and said sweetly
“I remember everything thing”

From The President

April 2018

Thanks to the members, Bob Walder, Alan Cowell, John Kimber, Greg Griggs, Merv Peardon who helped man the shed over Easter. Visitor attendance was up over last year, which is encouraging. We have had a slight set back with our shed, as Council has suggested we change roofing iron to a color bond instead of corrugated iron this has been due to complaints of sun reflection by nearby residents.

Merv and Scott have been working on the color scheme of the Fordson tractor.

Bob has had the mudguards sandblasted and undercoated in readiness for the paint.

Callum, Jarvan and Joseph have been working on small engines in readiness for the rally.

We have a street stall on the 4th of May and we need help and saleable goods. PLEASE HELP.

Nimmitabel Fair is on the 5th of May.

Heyfield Rally is on the 19th 20th of May

Bombala Tyres are our major sponsor for the 2018 Rally,

For any of your tyre requirements see

Leon White at Bombala Tyres.

A change of date for our next meeting is Sunday 27th of May.

A register for engines, machinery etc stored in sheds around the district will be talked about at our next meeting. We need to know regarding space in shed.
