Heyfield Rally is on the 18th of May and names are being taken.
The selling of club merchandise at the Visitors Centre, also on street stall.
Marquee needs stronger ropes and pegs.
Drain pipe have been repaired.
Visitors and disabled parking signs have been posted.
All the shows, Delegate, Dalgety and Bombala were well attended by our members.
New flyers have been printed and distributed.
Swap meet date.

Joe went to a Masonic convention, after the meeting, he found himself as you might say, slightly under the weather.
So he was helped home, upon arriving he rang the door bell. A window on the second floor was thrown open and a woman with large hair curlers, a frizzy robe with cold cream on her face appeared. She called out who is there. It is just me dear, he replied.
One of his helpers whispers is that your wife?
To which he whispered, do you think I would live in sin with that?

PLEASE NOTE NEXT MEETING MAY 5 2019
See you at the Clubhouse

Wishing you all a safe and joyous Easter
To our Ladies Happy Mothers Day

From the President April 2019

Hopefully things will return to normal, now that the shows are over and Easter will soon be behind us.

Keep in mind our street stall will be on MAY 3rd.
We need help and saleable goods, so come on down.
We need a trailer of wood, to be resourced from our wood pile at Peter and Mark Rodwells, date to be advised.

Our tent has been hired out to Delegate Country Club for a fee of \$500.00. Many thanks to Bob Walder, Alan Cowell and John Kimber for putting tent up and taking it down, hopefully it will become a money spinner for the club.

Heyfield Rally coming up May 18th, we need a few members to go to Heyfield to support their Rally.
