Public Officer Tom Kennedy

From the President

December 2018

Another large attendance of members on Sunday 9th of December 2018, for our monthly meeting, Christmas lunch and AGM with another wonderful lunch that was enjoyed by those present. Thank you ladies for the effort you put in preparing our lunch.

Our monthly meeting was very constructive, on the topic of our club shirt the members present strongly objected to any color change. Our club shirts will remain sky blue colour and are available through "Your Workwear" 40 Bombala Street Cooma. Contact David Cigana.

Welcome to two new members Pat Lomas and Chris Chambers On to our AGM with Greg Griggs taking over the chair and declaring all positions open, Griggisy very ably filled all positions.

Thank you Griggisy

I am very honored to be re-elected as your President and look forward to the continued support of the members of this great club As we move forward. I feel we had a very positive and active year in 2018, with members attending local shows, visiting other club rallies and organizing our own rally, the Crossely Engine project and our new shed.

As we move into 2019, we will again be involved in the shows and rallies, I ask all members to give serious thought to supporting all those clubs that supported our 2018 rally, supporting each other makes all of our clubs that much stronger and enjoyable and we can all continue to enjoy this great hobby we have.

As we work through 2019, I look forward to completing our new shed and having the Crossely running.

I wish you all a very Merry Christmas and a prosperous and
Happy New Year

Barry

Please note
