From the President

January 20 2019

Welcome to 2019.

I hope you all had a joyous Christmas and looking forward to a prosperous and happy new year.

We have started the new year with the Pambula Show, which was according to all reports was a great day out.

Thanks to the members who supported the show.

We have Australia Day on the 26th of January, and the Nimmitabel Show on February 2nd.

We wish Greg Griggs and Louise Brownlie all the best for their upcoming marriage on the 2nd of February.

Thanks to Pat Lomas for keeping the grass under control around the sheds.

Hope to start cladding on the shed in the next month or so.

Bob Walder is almost exhausted from working on the Crossely Engine.

We are looking at staging a Buy, Swap and Sell as well as a BBQ, sometime this year, yet to be organized, also a suggestion that we invite car clubs for an off Sunday giving us free time to run our engines, more discussion at next meeting.

Barry
