News Letter

JULY

2019

Remember these things

Fresh baked bread with homemade jam and fresh butter
Midnight dash to the out house in rain sleet or snow.
Coke in bottles, Penny candy.
Carry water to wash clothes, drinking, and fill water jacket on stove.
Milk delivered to house in bottles.
BHEMS meetings a 6 pm at Crouch Motors.
Newspaper delivered to your road side mail box.
Your first computer (dos)
Walking or riding OLE dobbin to school
Getting tractors from Peter Rutherford.
Bath time in wash tub, with young sister or brother.
First Riverside Festival.
Barry's trip To London Town.
Will not mention carting wood, splitting,
cleaning fireplace, as some still do.

The Yule Bus tour was a huge success.

On going maintenance is an every going procedure.

The shed walls and plumbing is under discussion, along with chimney repairs, so Maureen no fire, always something to do in the shed.

We have had several more machines and an engine donated to the club

We wish a speedy recovery to the following

Yvonne Murphy, Eric Corby, Chris Chambers,

Janet Cowell and Robyn Sproats have been on the sick list.

September 1 is Wattle day and first day of spring ?????

Hope so. like so many of you, my bones need warmth.

Roll on spring.

Up date on Tommy the Turtle, Peter has hidden him in the shed away from the paparazzi, but he is not alone, he has company with friends.

Buy, Swap or Sell is under discussion for November.

More next month.

Next Meeting August 18

See you there

FROM THE PRESIDENT

July 2019

Not too much to report this this month, the cold weather certainly slowed our projects down.

At our last meeting and running day: Merv and myself marked out trenches where we assumed the rain water trenches need to be dug to take the water from new shed to to street. We now have to contact council for approval before any further procedure.

Our Buy, Swap and Sell market day is hoped for November in conjunction with Bombala Markets, to be discussed at next meeting.

The Yule Bus tour was very successful with 40 odd tourists using our club house for their lunch and viewing our shed displays.

To the members who have not yet paid their membership, please note your membership is now overdue, your membership is important to keep this great club of ours viable.

As the weather starts to improve we hope to become more active on our running days.
