November 2020

Hello members, I hope you and yours are doing okay in isolation.

As the covid 19 lock down continues our club meetings are still on hold, it is a very difficult with all these cancellations to try and keep on top of club activities.

As four (4) weeks notice is required time for a AGM, we have made the decision that there will be NO AGM this year 2020. All executives and committee members will carryover for a further twelve (12) months ending in 2021.

Our Christmas party has also been canceled for this year, 2020.

As soon as we get the green light all members will be contacted and informed with the time and date of a club meeting in 2021.

Owing to the covid 19, our shed is coming along slowly mainly due to the lack of income, we are submitting an application to Snowy Monaro Regional Council Donations and sponsorship program 2020 funding for to purchase materials to complete shed. Hopefully we will be successful.

Looking forward to getting back to normal in 2021,
in the meantime stay safe.

Wishing you a joyous Christmas and a good New Year
