

# **THE B.H.E.M.S NEWS LETTER OCTOBER 2018**

**RALLY IS NOVEMBER 9 10 and 11  
Come and help**

**DECEMBER 9<sup>th</sup>  
Christmas Party 11am  
AGM 1pm**

Through missing bolts and wrong size steel,  
we have the roof on the shed, waiting to do cladding of walls.  
We might have to wait until after rally to finish off shed.  
Things are moving along for the rally, still lots of things to do.  
Pens to be put up, allotment of pens, order perishable goods.  
We will get there and hope for a great rally.  
We need all the help we can get so,

Remember if you can help, please call Bob Walder or  
Barry Crouch.

Next meeting is November 18<sup>th</sup> see you there

## **From the President October 21 2018**

Our Rally is almost upon us; there has been a lot of action at the shed and clubhouse getting ready for our big weekend.

### **Thank you to all the members involved.**

The new shed is up and ready for the cladding, which will have to wait until the rally is over.

Pambula Motor Fest was well represented by our members.

We will also be attending Eden Whale festival on the 3<sup>rd</sup> of November.

Thanks to Bob and Merv for attending the interview with the Weekly Times, article may be in this weeks copy.

The Historical Society interview with Peter Rogers was well received by our members who attended.

The AGM and Christmas party will be held on December 9<sup>th</sup> 2018, all positions will be declared vacant.

The AGM is the ideal meeting to put forward your ideals about the future of the club and which direction you would like to see the club headed, remember the club belongs to you and your input is important so come along and put your hand up and have your say.

**BARRY**
