

THE B.H.E.M.S NEWS LETTER OCTOBER 2018

**RALLY IS NOVEMBER 9 10 and 11
Come and help**

**DECEMBER 9th
Christmas Party 11am
AGM 1pm**

Through missing bolts and wrong size steel,
we have the roof on the shed, waiting to do cladding of walls.
We might have to wait until after rally to finish off shed.
Things are moving along for the rally, still lots of things to do.
Pens to be put up, allotment of pens, order perishable goods.
We will get there and hope for a great rally.
We need all the help we can get so,

Remember if you can help, please call Bob Walder or
Barry Crouch.

Next meeting is November 18th see you there

For all your Victa Lawn Mower Parts
Peter has a wide range of second hand parts
Peter Williamson 0413 920 579

From the President October 21 2018

Our Rally is almost upon us; there has been a lot of action at the shed and clubhouse getting ready for our big weekend.

Thank you to all the members involved.

The new shed is up and ready for the cladding, which will have to wait until the rally is over.

Pambula Motor Fest was well represented by our members.

We will also be attending Eden Whale festival on the 3rd of November.

Thanks to Bob and Merv for attending the interview with the Weekly Times, article may be in this weeks copy.

The Historical Society interview with Peter Rogers was well received by our members who attended.

The AGM and Christmas party will be held on December 9th 2018, all positions will be declared vacant.

The AGM is the ideal meeting to put forward your ideals about the future of the club and which direction you would like to see the club headed, remember the club belongs to you and your input is important so come along and put your hand up and have your say.
