Here lately..

My hip has out more than I did!!

Father and son were sitting on a park bench, when ask,
"Why are all of those cars blowing their horns." asked the son
Father replied, "because they are a wedding group."
Son ask "But I thought the horn is a warning sign."
Father sighs. " exactly son."

A blonde and a brunette work in a factory.
The brunette says. "I know how to get time off."
The blonde asks, "How?" "Watch this." says the brunette. She climbs up
to the rafter and hangs upside down. The boss walks in and asks,
"What are you doing?" She answers . "I am a light bulb.\"
He says, you need time off. So she climbs down and leaves.
The blonde gets up and starts to walk out.. The boss asks
"Where are you going?" to which she replied, "I can't work in the dark."

From the President September 2021

Hello Members

Due to the recent outbreaks of the Covid -19 virus and compulsory lock down, we have now lost three months of meetings, running days and new shed completion opportunity, which has also put our shed opening day and running of the Crossely Engine in jeopardy.

Hopefully when we met on October 17th 2021, we can work thru what options are feasible regarding the opening day, and the AGM.

Let us look forward in the coming months to getting back to some form of normality so we may have a Merry Christmas.

See you all on October 17th 2021, keeping in mind covid-19 restrictions will apply

STAY SAFE
