A married couple was on holiday in Jamaica.

They were touring around the marketplace looking at the goods and such when they passed this small sandal shop.

From inside they heard the shopkeeper with a Jamaican accent say, 'You foreigners! Come in. Come into my humble shop!'

So they walked in, and the Jamaican said, 'I have some special sandals I tink you would be interested in... Dey make you wild at sex.

'The wife got really interested in buying the sandals, but the husband felt he really didn't need them, being the sex god he was. The husband asked the shopkeeper, 'How could sandals make you into a sex freak?

'The Jamaican replied, 'Just try dem on, Mon. You doan haff to do nutting cept try dem on.

'So the husband, after some badgering from his wife, finally gave in, and tried them on. As soon as he slipped them onto his feet, he got this wild look in his eyes, something his wife hadn't seen in many years! In the blink of an eye, the husband grabbed the Jamaican, bent him violently over a table, yanked down his pants, ripped down his own pants, and grabbed a firm hold of the Jamaican's hips.

The Jamaican then began screaming, 'You got dem on da wrong feet! Mon, you got dem on da wrong feet!'...

The Adventures of Uncle Arthur February 2019

Handy Andy was auguring some oats into bulker bags a few weeks ago (and as we all know if you want to break something borrow it). He was onto the last bag when he was distracted when CRUNCH BANG SNAP the auger got jammed from the top and snapped the auger flight and neatly reversed the bottom four feet of the flighting (BUGGAR!!!!!!!!!!).

Bluey Davis was seen at the RSL club last week with eight or ten members of his Harem.

Pullthrough was heading over to Cotterpin's in HQ the other weekend and as he was going around a curve he heard a big bang and a fair bit of humping and bumping, when he finally stopped he noticed one of the back wheels had decided to move sideways about two foot (OOPS!!!!).

Cotterpin was helping refurbish the new toilet block on Wed. and some how the bowl got broken, not sure what he was doing with it might have been trying it out.

Well that's about all for this month so as Arthur would say Hooroo.

The observer.
