Rally Report

Great weather all week with an excellent display of collectables, Plenty of tractors and thanks to John McQualter we had engines. Show and shine on Saturday worked well with lots of cars, and 17 tractors went on the trek. Sunday was a bit slower although we had everything that we had Saturday including a display of cars from DDVVCC. Raffle did well

I thank all members for their support, I thank all members for their hard work, I thank our sponsors and the general community for their support, and I am thankful that it is over.

We thank the generous people who support our rally.
